IMPORTANT FACTS:

- > In India Mango is called the 'King' of fruits. It is grown in India and it exports mango to over 50 countries worldwide. India exports to UAE, Saudi Arabia, Bahrain, UK, Singapore, Malaysia and Bangladesh together account for 97% of total export.
- > Mango covers an area of 4369 thousand HA with a production of 31.2 million tonnes.
- > We understand the taste of mango better than anyone in the world since it's part of our culture since ages. Our flavour experts have an experience of more than 40 years in the flavour industry and have formulated the natural taste of the real juicy mangoes that are grown in India, like the Alphonso Mango.
- > When it comes to fruits like grapes, pomegranate, bananas, orange and some rare kind of berries like falsa are also grown in India. Bella Flavours have a wide range of fruity flavours that will ignite your taste buds like never before.
- > In India, Tobacco crop is grown in an area of 0.45M ha (0.27% of the net cultivated area) producing 750 M kg of Tobacco leaf. India is the 2nd largest producer and exporter after China and Brazil.
- > Since there are different varieties of Tobacco leaf available in India, Bella has developed unique taste of Tobacco which is worth a try.
- > Bella has developed more than 100 different alcohol flavours.
- > We have a wide variety in Indian dessert range and creamy flavours.
- > Bella has a wide variety of flavours that are new to the industry.
- > India is also famous for Paan flavour (betel leaf). Bella offers exclusive paan flavours which are traditional and rare to find.
